### How Does Our PC Remote Support Service Work?

Our onscreen assistance software allows us to have a qualified technician connect to your computer and work along the side with you to resolve your computer issues.

We charge \$49 only if we can fix your problem. Payment is via credit card and our work is guaranteed. Call today to try our popular PC Remote Service.

Through the magic of our easy-to-use/secure software, you can watch and work together with one of our trained professional technicians. We can do remote computer tune-ups, provide training on software programs, troubleshoot networking issues, diagnose a hardware or printer issue, or provide you with specialized expert consultations on a variety of technical issues.
